

NHCC Heritage Garden Donation Form

Phase 2 of the Heritage Garden has begun!

Over 160 donors have supported NHCC students through a donation to engrave pavers or name the benches, trees, rain gardens, and water feature in the garden.

In Phase 2, there are pavers yet to be engraved as well as one bench and the gazebo.

It's called the Heritage Garden as heritage gives us a sense of belonging and an insight from where we came. Each student, faculty, staff, donor, and community members have added to our heritage and paved the way for current and future NHCC students.

The Heritage Garden celebrates:

- Students who dedicate themselves to self-discovery and acquiring knowledge
- Alumni who took their NHCC education and are making their mark in the world
- Faculty and staff (current and former) who create an exceptional learning experience
- Donors who strengthen the community with an educated workforce
- Local communities, businesses, organizations, and community members with dedication to higher education
- Family members of students, faculty and staff whose support also changes lives.

Recognize, celebrate, and give thanks to your NHCC heritage by engraving a paver in the NHCC Garden. Your donation will continue to make quality higher education accessible and pave the way for future students.

To donate, you can complete the attached form or go online at
